Knickerbocker Ice Wine Release ~

SATURDAY ~ February 4th - Sampling 12-3pm

Our Ice wine is a rare gift from a magical Canadian winter. Picked at the coldest moment of a winter's night, each frozen grape creates just one drop of Ice wine. One smooth rich, luxurious drop Knickerbocker Ice is at its best when it's served wintery cold and sipped before dessert, with dessert or even as a dessert!

375ml \$24.99

Our release coincides with the Lake Mills Knickerbocker Ice Festival. Lot's of fun activities and things to see the weekend of the Knickerbocker Ice festival.

Free Movie Event Friday February 24th 7-9:30 p.m.

Sideways follows two forty-something year old men, portrayed by Paul Giamatti and Thomas Haden Church, who take a week-long road trip to Santa Barbara County Wine Country. Let's say they have some interesting adventures along the way.

This movie put Pinot Noir on the world wine map!
But let's say, it didnt do much for Merlot!

You can bring your own food or have a pizza delivered to the winery. All we ask is you buy your wine from us! A great bottle of Pinot...or Merlot would compliment the movie perfectly. In fact, we may even have appetizers available for purchase at this event!
Call/stop by to reserve your spot.
